

Syndy symmetrical indirect light post top luminaire

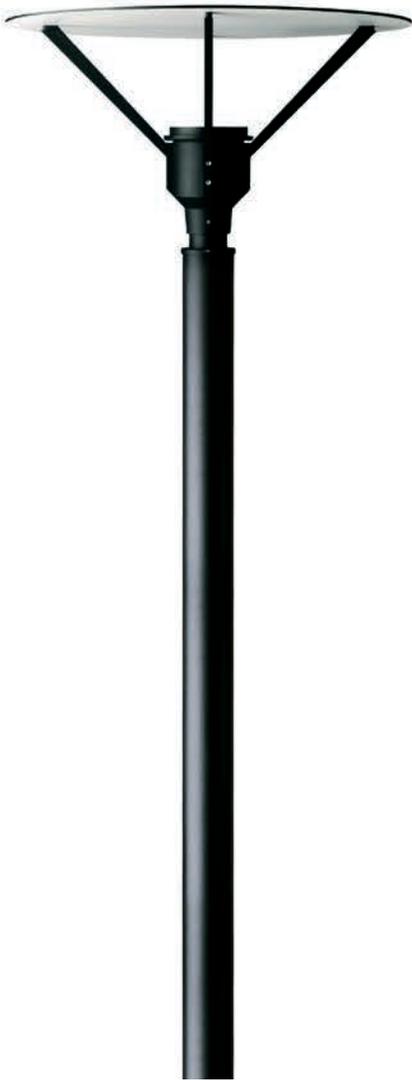

IP65 /EN 60598/CLASS I /V/CE /IK09

Suitable for wet locations

A modern post top luminaire with excellent downward symmetrical light distribution and visual appeal. The precision optical system gives very low glare rating, while reducing light pollution. Designed for lighting entrances, footpaths and car parks.

Low copper content die-cast aluminium housing with high corrosion resistance. Stainless steel screws. Durable silicone rubber gasket and clear toughened glass. Housing is treated with a chemical chromated protection before powder coating, ensuring high corrosion resistance. High performance COB LED light engine. White painted aluminium reflector on the top of luminaire.

Syndy oval asymmetrical indirect light post top luminaire

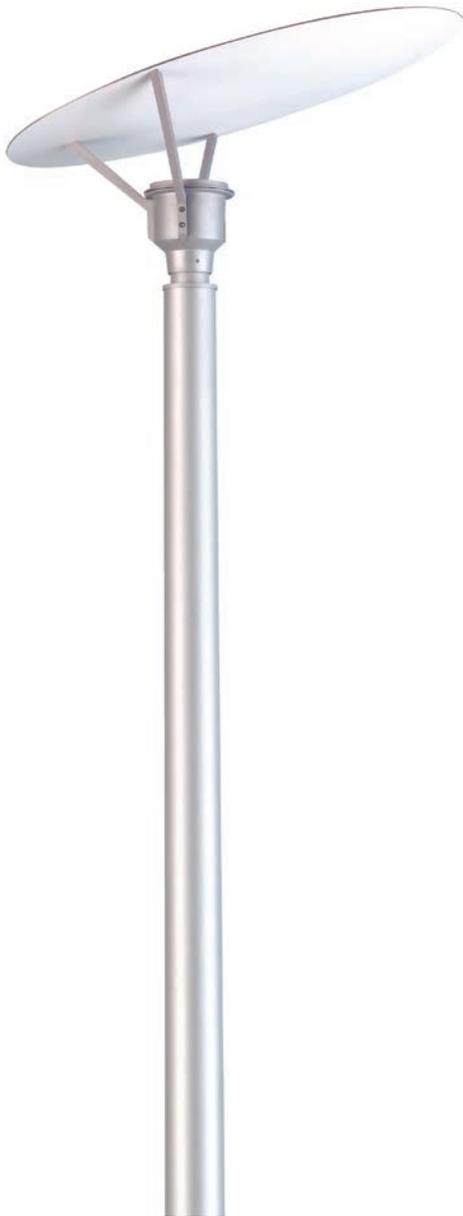

IP65 ⚡ ⚠ /EN 60598/CLASS I ⚡ /V/CE/IK09

Suitable for wet locations

A post top luminaire with excellent downward indirect asymmetrical light distribution and visual appeal. The precision optical system gives very low glare rating, while reducing light pollution. Developed to compliment Syndy oval indirect wall mount and street lanterns. Also environments where lighting is required to be uniform and glare free. The light from the built-in high power floodlight is directed by the oval top reflector set at 18 degree to ensure optimal light distribution.

Low copper content die-cast aluminum housing with high corrosion resistance. Stainless steel screws. Durable silicone rubber gasket and clear toughened glass. Housing is treated with a chemical chromated protection before powder coating, ensuring high corrosion resistance. Anodized high purity aluminum reflector. White painted aluminum reflector on the top of luminaire.
