Sandy 6 semi-recessed wall light LED

A range of small and large circular wall mounted bulkheads with polycarbonate diffuser. Ideal for numerous indoor or outdoor applications. Sandy has a subtle chamfered frame and it can be given a more striking appearance by way of different grill and visor options.

Low copper content corrosion resistant die-cast aluminum housing and frame. Stainless steel screws. Durable silicone rubber gasket and impact resistant UV stabilized polycarbonate diffuser. Housing is treated with a chemical chromated protection before powder coating, ensuring high corrosion resistance. Integral electronic control gear. The sandy recessed wall light complies with ADA requirements.
